About Us

Funland English Medium School was founded in 2013 under Shri Matrushri Mayaba A. Jadeja Education & Charitable Trust, Rajkot, in a small building with a handful of students. The School is affiliated with the GSEB and the medium of instruction is English. Academics is our main core and adequate weightage is given to co-curricular activities and sports as well. The School offers its learners a unique EduCreative experience that nurtures each child's unique set of talents, strengths and skills. The School's integrated curriculum is child centered and focuses on experiential and activity-based learning. The School provides a resourceful learning environment where students can develop into "Citizens of the World." We are looking forward to a productive partnership with parents to ensure our children can achieve their highest potential. We recognize that to be successful in life, our children need strong support from both home and school. With a dynamic partnership, we can make a significant difference in your child's education and upbringing.

Mission

Funland School is committed to provide a stable, productive and friendly environment to the children. We also want to cater a resourceful learning environment, where students can receive mature guidance through daily interaction and become accountable, productive and ethical citizens with the skills to innovative and critical thinking, reason logically, communicate effectively and respect diverse cultures with equality.

Vision

Our vision is to develop well rounded, confident and responsible individuals who aspire to achieve their full potential. We will do this by providing a welcoming, happy, safe, positive and supportive learning environment in where everyone is equal and all achievements are celebrated.
